Post graduate diploma in Gastroenterology and Digestive Endoscopy, Genoa</p> <p>Post graduate diploma in Paediatric Gastroenterology, Naples</p> <p>Master in Pediatric Endoscopy, Royal Free Hospital, London</p> <p>2000. Training in digestive endoscopy, Digestive Endoscopy Unit, Galliera Hospital, Genoa</p> <p>2001. Training in digestive endoscopy, Digestive Endoscopy Unit, Halle, Germany</p> <p>Training in digestive endoscopy, Digestive Endoscopy Unit, Hamburg, Germany</p> <p>2002. Training in digestive endoscopy, Digestive Endoscopy Unit, Brescia, Italy</p> <p>2003. Pediatric Intestinal Transplantation Program, Jackson Memorial Hospital, Miami, FL, USA</p> <p>2006. Training in digestive endoscopy, Digestive Endoscopy Unit, Bambino Gesù Hospital, Rome</p> <p>2007. Training in digestive endoscopy, Digestive Endoscopy Unit, San Martino Hospital, Genoa</p> <p>2014. Training in digestive endoscopy, Digestive Endoscopy Unit, Bambino Gesù Hospital, Rome</p> <p>2016 Post graduate course on intensive care parenteral nutrition, Necker Paris</p> <p>Ongoing collaboration with Intestinal Insufficiency Unit, Necker Hospital (Paris), Liver Transplant Unity, Giovanni XXIII Hospital, Bergamo, Pediatric Gastroenterology, Bambino Gesù Hospital, Rome</p>
Title of qualification awarded	<p>Specialised in Pediatrics</p> <p>Specialised in Paediatric Gastroenterology and Nutrition</p> <p>Specialised in Gastroenterology and Endoscopy (adults)</p> <p>Job assignment in therapeutic endoscopy (IAS)</p> <p>Chief of Paediatric Gastroenterology and Endoscopy at G.Gaslini Institute for Child Health</p>
Principal subjects/occupational skills covered	<p>Responsible for therapeutic endoscopy at G.Gaslini Institute for Child Health</p> <p>Responsible for nutrition (also home enteral and parenteral nutrition, HEN and HPN) at G.Gaslini Institute for Child Health</p> <p>Coordinator of Nutrition Section in SIGENP (Italian Society of Paediatric Gastroenterology Hepatology and Nutrition)</p> <p>Coordinator for Paediatric Artificial Nutrition in SINPE (Italian Society of enteral and parenteral nutrition)</p> <p>Coordinator for European Society of Nutrition (ESPEN) and SIGENP for chronic benign intestinal insufficiency in children</p> <p>Member of ESPGHAN Guidelines of Parenteral and Enteral Nutrition</p> <p>Member of Italian Network on enteral and parenteral nutrition on behalf of SIGENP</p> <p>Member of the scientific committee of "Un Filo Per la Vita onlus" (parents with children on parenteral nutrition)</p> <p>Member of scientific committee of "Il mondo di Clara" (parents of children with neuro-muscular and metabolic disabilities)</p> <p>Coordinator of work in progress for IES (Intestinal Electrical Stimulation) in children with intestinal pseudo-obstruction with Italian Institute of Technology (Prof. M. Chiappalone) and Department of Gastrointestinal motility, Galveston University (Prof. J Chen)</p> <p>Member of Advisory board of Nutricia European enteral nutrition committee on children with neurological disabilities</p> <p>Member of Advisory board of Baxter World parenteral nutrition committee on parenteral nutrition bags for children with chronic intestinal insufficiency</p> <p>Member of Regional Center on "Nutritional surgery of the Disabled children" coordinated by prof. G.Mattioli, Surgery Department</p> <p>Consultant for pediatric gastroenterology, nutrition and endoscopy for all departments of Gaslini Institute (2016: 964 consultations)</p> <p>Endoscopic activity with 5,000 (diagnostic and therapeutic) endoscopy</p> <p>Clinical activity on bed (310 children followed in the last 6 months)</p> <p>Speaker in more than 120 conferences on pediatric gastroenterology</p> <p>Author/co-author of 51 indexed papers</p> <p>Co-author of 7 books on pediatric gastroenterology</p>

**Personal skills and competences**

Mother tongue(s) **Italian**

Other language(s) **English**

Self-assessment

European level (\*)

**Language**

**Language**

Understanding		Speaking		Writing			
Listening		Reading		Spoken interaction		Spoken production	
	B2		B2		B2		B2

(\*) [Common European Framework of Reference for Languages](#)

Social skills and competences

Team work and intercultural skills: I've worked with various types of teams from research to clinical teams in my Hospital and in all Europe.  
Parents communication skills: I've acquired excellent skills demonstrated by the parents care satisfaction approval

Organisational skills and competences

I organize and coordinate pediatric gastroenterology and endoscopic team and multidisciplinary teams (surgeons, anesthetists, neuropsychiatrists, genetists, etc) in the hospital

Technical skills and competences

I've acquired technical competency in diagnostic (97% of ileal crossing) and therapeutic endoscopy (varices band ligation, gut stenting, foreign bodies removal, gastrointestinal hemorrhage, intestinal dilations, endoscopic gastrostomy) both in adults and in children, pH monitoring, fine needle liver biopsy, breath testing, capsule endoscopy, single balloon enteroscopy, etc  
I've reached wise experience with all functional and organic gastrointestinal diseases (inflammatory bowel diseases, intractable diarrhoea of infancy, chronic intestinal pseudo-obstruction, eosinophilic esophagitis and gastro-enteropathy, chronic liver disease, gastroesophageal reflux disease, etc)

Computer skills and competences

Good knowledge to use PC and Windows applications

Other skills and competences

Motor and sailing boats licence  
Sail racings (tactician), mountain bike, swimming

Driving licence

Car licence AB
